Space Assignment

Exhibitor spaces are assigned by the Exhibit Coordinator based on a first come, first served basis. You may request a specific exhibit space; however, if that space is not available you will be assigned based on availability. Spaces will be marked during the fair. Requests for additional set up and tear down time must be made in writing to the Exhibit Coordinator. We require that Exhibitors purchase the event long option if there is a need to build a booth. Fire codes prohibit Exhibit spaces from exceeding their sizes and will be strictly enforced. Vendors who occupy more space than allowed will be charged for an additional space or asked to vacate the fair/market grounds.

Submitting Your Application

Application can be mailed to the address listed on page one (1) or dropped off at the Fair office located on the fair grounds. If you are mailing your application, please allow seven (7) days for receipt.
